

Dear Pastor, Principal, Directors of Christian Education and Children's Ministry,

May this letter find you richly blessed and your congregation and school thriving. The National Children's Ministry Conference (NMC) Committee members feel blessed to be able to offer a quality educational conference for children's ministers and volunteers in your church, preschool, school-age care program and elementary school. Reaching over 700 attendees, NMC provides spiritual, educational and personal resources for children's ministers and volunteers throughout The Lutheran Church—Missouri Synod.

Celebrate with us!

You, your congregation, children's ministers and volunteers are valued partners in ministry. NMC commends your support of Christian education on your campus and offers fervent prayers for your continued ministry to all God's children and their families.

As a means of celebrating the ministry of these diverse children's ministers in your congregation and on your campus, the NMC committee extends this opportunity to place a **Children's Ministry Appreciation Advertisement** in our program book.

It's this simple:

1. Use the enclosed templates to choose the size of your advertisement.
2. Complete and mail the enclosed order page with payment.
3. Design the appreciation advertisement.
4. Meet the **May 13, 2011**, deadline for submission of camera-ready art.

Each conference attendee receives a conference program book containing important information about the conference.

Your "appreciation advertisement" will encourage, sustain and uplift your children's ministers and volunteers in their vital ministry.

We pray that this **Children's Ministry Appreciation Advertisement** opportunity provides you with an occasion to celebrate the many blessing the Lord has bestowed upon you personally and upon your church and schools.

Thank you for supporting children's ministry.

Respectfully,

NMC 2011 Committee
