

# Lutheran Educators Conference

November 21-23, 2010

Fearfully and Wonderfully M.A.D.E.

Psalm 139:13-18

Dear Brothers and Sisters in Christ,

Greetings in the name of our risen Lord and Savior, Jesus Christ!

As this school year is coming to a close, we begin to plan for another year to come. The 2010 LEC Committee has already begun work to prepare for the upcoming Lutheran Educators' Conference. The conference will be held once again at the beautiful Marriott Desert Springs Resort, in Palm Desert, CA, November 21-23, 2010.

Our theme this year is *Fearfully and Wonderfully M.A.D.E.* Many times in our lives we become so overwhelmed with our responsibilities that we forget how blessed we truly are to be children of God. Our theme verses from Psalm 139:13-18 remind us that God created us and has been present with us from the very beginning, creating each and every being unique and blessed with special gifts from God. We will be celebrating that theme throughout the conference in every aspect.

We will begin our time together with worship led by Pastor Mike Gibson from Christ, Costa Mesa, as he reminds us how we are created to minister, acclaim, disciple, and educate. Jon Vevia from Lutheran High School San Diego will assist us in praising God through our musical worship. Our Keynote Speaker is Dr. Debbie Silver, a world renowned speaker and highly acclaimed educator and author. During the banquet we will enjoy the amazing talent of Mike Lewis, "The Jesus Painter". Through his incredible gift you will see the face of Jesus brought to life on canvas. You will also have the opportunity to purchase original paintings as we will be auctioning them off after the banquet. These are one-of-a-kind and would look stunning in any school, church, or home.

This year we will take part in many onsite servant opportunities. We will have a designated area set aside just for service projects. There will be a variety of projects ranging from making blankets to writing letters to the military. You will be able to spend as much time as you would like participating in a service project without missing a workshop. We also have many great workshops planned for this year. We will be including four different workshop sessions to provide a greater opportunity for professional growth and learning.

The committee is excited for LEC 2010, and we eagerly anticipate the time that we can spend with you in fellowship, networking and learning at our conference. Look for registration materials coming to you in August.

May the Lord continue to bless you throughout your ministries as you are blessed to be Fearfully and Wonderfully M.A.D.E.
