

Marriott Registration is now Online

All hotel reservations for LEC 2010 at the JW Marriott must be made online using the following link:

<https://resweb.passkey.com/go/lec2010>

If you do not have online access, you may make the reservation by phone using the PASSKEY number and the person will do the data entry for you into passkey while you are on the phone together. Neither the regular Marriott Desert Springs number nor the regular Marriott 800 number are available. If you need this assistance, please call:

1-800-266-9432

When working online, simply follow the step by step instructions for completing the forms. Please note, you may request the type of room you want, either 1 bed or two beds at the very beginning of the process.

A credit card must be given to secure the rooms – your card will not be charged at that time.

Your payment options are:

Multiple rooms:

pay with a school check or a personal check at least 10 days ahead **OR**

pay with a credit card by completing a credit card authorization form at least 10 days prior to check in (this form will be included in the August mailing)
