Dear Colleagues in Ministry,

Great ideas and expertise need to be shared! The Lutheran Educators Conference Program Committee would like to invite you to share your ideas, best practices, wisdom and techniques as a workshop presenter at our 2010 Lutheran Educators Conference.

The theme of our 2010 conference is based on "Psalm 139:13-18," which tells us that God has put us together in a wonderful and amazing way. We rejoice and marvel in His creation. Workshop topics may be anything that has helped you in your ministry, sharing your expertise, and would be a benefit to your colleagues serving in Lutheran educational ministry. We are looking for science workshops for all ages, but welcome all of your ideas. We go forward to **Minister, Acclaim, Disciple, and Educate- We are MADE** in His image.

You are encouraged to submit this workshop proposal and to encourage other talented colleagues to do the same. All proposals must be received by **March 17, 2010**. All individuals who submit proposals will be notified by email regarding the status of their 2010 workshop proposal.
